Pre-Arbitration Settlement

REGIONAL NUMBER: C7C-4K-C 33985
GRIEVANT: Class Action
LOCATION: Des Moines, Iowa
LOCAL #: 77-91-6765

Without establishing precedent and without prejudice to the position of either party in this or any other case, and with the further understanding that neither party will cite this settlement in any other grievance, arbitration proceeding or other forum, the grievance is withdrawn from arbitration, and is resolved as follows:

Available employees on the OTDL (out of section) will normally be used in the CFS unit to perform non-technical duties requiring only simple direction (such as 3579's, 3547's, sweeping) before requiring non-OTDL CFS employees. In addition, employees on the OTDL (names will be supplied by union) will be compensated for a total of up to 20 hours.

The above resolution constitutes full and final settlement of the subject grievance and resolves all issues pertaining thereto.
