Issue: ARTICLE 37
DISPLACEMENT

As a result of a meeting on 6/17/03 with Kevin Bean the parties reached the following settlement on the above listed case(s).

The parties agree when the Union can identify an employee displaced from their bid assignment in violation of the 11/25/91 Stays Memorandum the displaced employee shall be paid a 50% premium for those hours.

By virtue of this final and binding settlement of the subject issue, this document shall serve as the union's notification to management that it is withdrawing this case from arbitration. This is a complete settlement of the case(s) cited above or attached
