Dear Mr. Kessler:

Pursuant to the terms and obligations as set forth in Article XV of the 1978 National Agreement, management and union designees met at Step 3 of the grievance procedure. The results of that meeting on the above referenced case, are as follows:

As a final and complete settlement of the subject grievance and without prejudice to the position of either party in this or any other case, and with the understanding that this settlement shall not be cited by either party in any other grievance proceedings or in any other forum, the following resolution has been arrived at between the parties:

Management's consideration to granting
leave should be on a first come basis.
If annual leave is requested by an employee
before another employee requests LWOP
consideration should be in that order.
This refers to annual leave not a part of
the vacation schedule.
