*- Revised from
6/3/08 decision -*

As a result of a meeting on June 13, 2008 with Dennis Taff, the parties reached the following settlement on the above identified case:

Rotation for clerks on automation in PL 133 will be on a fair and equitable basis.

By virtue of this final and binding settlement of the subject issue, this document shall serve as the union's notification to management that it is withdrawing this case from arbitration. This is a complete settlement of the case(s) cited above or attached.
