Subject: Labor management

----- Message Contents

One of the agenda items for Labor Management tomorrow is the same item we discussed the last Labor Management Meeting.

Supervisors doing Bargaining Unit work. We have crossed this bridge before and have settled grievances on it.

SDOs and MDOs are restricted from doing Bargaining Unit Work.. That is why you have clerks and mailhandlers. This issue has to go away. If any of you desire to be a clerk or mailhandler then let me know in writing, otherwise decess and desist immediately.

MDOs, enforce this and take corrective action as needed to abate..

John Stougard
